

## Tired Of Being Sorry (Lyric)

I don't know why  
You want to follow me tonight  
When in the rest of the world  
With you whom I've crossed and I've quarreled

Laisse toi tomber  
Pour mieux renaître et être aimé  
Tu cherches l'histoire à sauver  
Sans plus chercher à t'excuser  
Beneath the silver moon

chorus  
Maybe you were right  
But baby I was lonely  
Quand ton coeur éclate  
Laisse le destin l'emporter

Ose le meilleur  
Et lève toi sans avoir peur  
We're all bloodless and blind  
And longing for a life  
Beyond the silver moon

Maybe you were right  
But baby I was lonely  
Quand ton coeur éclate  
Laisse le destin l'emporter  
I'm standing in the street  
Crying out for you  
A toi d'exister  
Seul face à la nuit

So far away  
A tout jamais  
I've trashed myself - I've lost my way  
I've got to get to you  
Je serai là pour nous

Maybe you were right  
But baby I was lonely  
Quand ton coeur éclate  
Laisse le destin l'emporter  
I'm standing in the street  
Crying out for you

A toi d'exister  
Seul face à la nuit
